

The Enchanted Garden

FAIRY QUEEN

HARLOW MUSEUM, 2025

Originally commissioned for Harlow Museum's inaugural Enchanted Garden event, Matipo Arts created a fully designed and scripted Fairy Queen experience. Audiences were lead through the greenery of the museum's peace garden into the Fairy's grotto for a royal visit and photo opportunity. Audiences of all ages were spellbound by the queen's stories of the magical inhabitants of the gardens around them. Each performance finished with a spell, and a sprinkle of pixie dust.
