

WRITE YOUR TRAVEL JOURNAL

We're coming to the end of your stay on Adventure Island! It's time to document your travels in a journal to look back on.

Every great explorer keeps a record of where they've been, what they found and what it was like! Either in drawings, a diary, an audio recording or more recently with video logs. These can be used to keep track of scientific discoveries, as well as cultural and historical ones. Plus, it's a lovely memento for you to keep.

Be sure to include lots of drawings and describe your favourite parts of your stay! It needs to be very clear and easy to understand, in case you've discovered something important!
